Profile Overview

I'm a passionate and self-motivated web developer who loves blending creativity with technology to build clean, modern, and user-friendly websites. I enjoy taking on challenges that help me grow, learn, and improve my skills every day. For me, design is not just about visuals—it's about creating meaningful experiences that connect with people. Apart from designing, I love exploring new ideas and staying curious, which keeps me inspired and innovative in my work.

Work Experience

Reosys – Dehradun | Website Developer | July 2022 – Current

- Designing responsive and user-friendly websites using HTML, CSS, Bootstrap, and WordPress.
- Creating website layouts and improving UI for better user experience.
- Customizing WordPress themes and plugins based on client requirements.
- Optimized websites for performance, mobile responsiveness, and SEO readiness.
- Maintained and updated websites with new features, ensuring smooth user experience.

Qurizon Technologies – Dehradun| Website Developer | January 2021 – May 2022

Worked as a Website Developer where I designed and developed responsive websites using WordPress, HTML, CSS, and page builders. I also implemented on-page SEO practices such as meta tags, alt tags, proper heading structure, and internal linking to improve website visibility and performance.

Leezdesign – Dehradun| Website Developer | June 2019 – December 2020

Worked as a Web Designer where I designed and managed websites with a focus on clean layouts and responsiveness. In addition to designing, I also handled basic SEO tasks, including on-page optimization and off-page activities, to enhance website visibility and ranking.

MediaVita – Dehradun| Web Designer & SEO (Trainee)| October 2018 – May 2019

Worked as a Website Developer where I designed and developed responsive websites using WordPress, HTML, CSS, and page builders. I also implemented on-page SEO practices such as meta tags, alt tags, proper heading structure, and internal linking to improve website visibility and performance.

Projects

- Designed and developed 100+ responsive websites for clients across education, healthcare, travel, e-commerce, and corporate sectors.
